

Jelly beans song's

One, two, three, four, five jelly beans.
Six, seven, eight, nine, ten jelly beans.
They are too bored, *yawn, yawn!*
So ten jelly beans are going to find something fun.

Eleven jelly beans drive *vroom, vroom, vroom.*
Twelve jelly beans honk *beep, beep, beep.*
Thirteen jelly beans row *go, go, go.*
Fourteen jelly beans dance *spin, spin, spin.*
Waa !

Fifteen jelly beans jump *hop, hop, hop.*
Sixteen jelly beans dive *splash, splash.*
Seventeen jelly beans laugh *ha, ha, ha.*
Eighteen jelly beans sing *la, la, la, la, la.*
Waa !

Nineteen jelly beans nap *sleep, sleep, sleep.*
Hush, they sleep *deep, deep, deep.*
But the alarm goes off *ring, ring, ring.*
Twenty jelly beans run *dash, dash, dash.*

One, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve,
thirteen, fourteen, fifteen, sixteen, seventeen, eighteen, nineteen, twenty !
