**The Wolkenblau family & musical adventure seems to have no limits.
The whole team is happy to introduce the new Christmas Songs.**

2016, Wolkenblau recorded his first Christmas Carol "Sehnsucht nach Weihnachten" in Bregenz Austria.

An unexpected message came after the release from the U.S.A. "would be nice to record this contemplative song also in English".

The idea of "**Winter Christmas Time**" was born.

The song text was written in 2018 by Jean-Marc Muller. The first reaction we have received from the United States of America is rather encouraging. «This song is lovely! The melody is delightful and soothing... »
