## ABOUT US

We are **LILIUM XTRACT**, a company specialized in **cannabis**. Passionate about this magical plant for **twenty years**, we have acquired an expertise that allows us to position ourselves as one of the **leaders** and pioneers of **legal** cannabis in France. Our field of action ranges from the plant to all its **derivatives**. We offer you a **wide range** of products.

# TERPENES

Terpenes are the **organic** compounds responsible for creating the unique aroma of each plant. We **develop our flavors** with the **help of Swiss flavorists** under the supervision of our experts. All our flavors are **100% LEGAL worldwide** and have **all the necessary accreditations** for marketing.

(Food Grade, FDS, Technical Data Sheet)

## OUR TERPENIC AROMAS

### AMNESIA

The **taste** and **smell** of this **particular** variety makes it one of our **most** requested flavors.

### BANANA KUSH

The amateurs of cannabis having the **taste of the tropics** will be at home with **Banana Kush**. Its flavor and aroma are clearly inspired by the **banana**. It is well known and appreciated in the **circles** of the connoisseurs of cannabis.

### BLUE CHEESE

The **scents** of **blueberry** and **cheese** entangle the consumer with **fresh sensations**. Some pungent aromas from the **Skunk** lineage are also present.

### BLUEBERRY COOKIE

This **Girl Scout Cookies** x Blueberry cross smells like **freshly** baked cookies topped with blueberry jam. The **aroma** is **unmistakable** when **fresh** and **intensifies** during tasting.

### LEMON OG

This flavor, as its name indicates, is known and recognized for its **lemony taste** and **aroma**.

### PINEAPPLE KUSH

This variety is known for its **sweet taste** which, although strongly reminiscent of **pineapple**, has been described as having a **slight mint** or **vanilla flavor**.

### PURPLE PUNCH

Purple Punch is a **true marvel** for the senses, its aroma and flavor will remind you of **delicious freshly baked apple** and **blueberry pies**, with a few cherry and clove with a hint of **cherry** and **clove**.

### STRAWNANA

**Strawnana** is a cross between a **Strawberry** phenotype recovered from the **Bubble Gum** strain and a **Banana Kush**. Its **sweet** and **fruity** aromas will delight your customers.

### STRAWBERRY OG

**Taste** the very tasty and powerful cross between the **AK-47** and the **Bubble Gum** which has retained some of the best qualities of both. It is full of **delicious** and **aromatic strawberry** terpenes.

### MANGO KUSH

This variety owes its name to its **taste of mango**, with a distinct flavor of **kush** and notes of **pine** on the exhale.

### MASTER OG KUSH

The **exotic** fragrance of this this variety reminiscent of **India**, will enchant enthusiasts from **all over the world**.

### OG KUSH

OG Kush is known for its **strengthand** complex flavor profile. The aroma is bold and with notes of earth, **pine**, **diesel**, **spice** and **citrus**.

### WHITE WIDOW

White Widow's flavors are mostly **sweet** and **fruity**, with pronounced notes of **kiwi** and **passion fruit** and an underlay of **Skunk**.

### BLUE DREAM

Blue Dream is an incredibly **sweet** and **flavorful** variety, thanks in large part to its **Blueberry genetics**. There's nothing trite or bland about its powerful, fragrant flavors.
